

## A SPECIAL HELPER FROM GOD

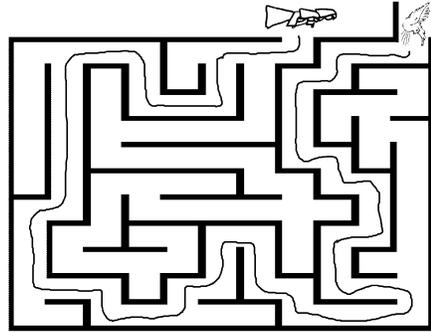

(Jerusalem) — Jesus talked about his Father many times. His followers, the twelve disciples, wondered what God the Father was like. One time they asked Jesus to show his Father to them.

Jesus told his followers that he did not need to show the Father to them, because they could see what the Father was like by looking at and listening to Jesus. But Jesus promised to give the disciples something they had not asked for. He said he would send them a special Helper named the Holy Spirit. The Holy Spirit would help them find out what the truth was. He would be their Helper in all kinds of trouble.

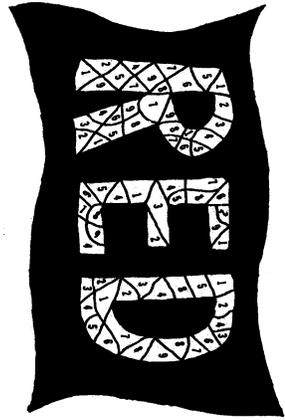

God's special Helper came to the disciples on the Day of Pentecost.
