

# JESUS CARES ABOUT SINFUL PEOPLE

*[Galilee]* — Jesus made some enemies because he kept on helping unexpected people. When adults thought children were getting in the way of Jesus' teaching them, Jesus would ask to have the children brought to him.

Even though many people hated Roman soldiers, Jesus helped a soldier.

Even though Jesus was a Jew, he sometimes helped people who were not Jews.

One day Jesus forgave the sins of a woman who was guilty of many sins. Some people who liked Jesus did not like the way he helped these unexpected people. Jesus said, "Why should I not help them? They need help more than anybody else. When I help them, they appreciate the help more than anybody else."

Jesus helped anybody who asked.
