

GOD WILL TURN THINGS UPSIDE DOWN

(On the way to Jerusalem) — What will happen if we have too little money or too much? Jesus told a story to show how God will turn things upside down. People who have too little will have plenty, while the ones who have too much will lose the things they have.

There was a man who had too much of everything. He acted like a pig and ate too much. His clothes were much too fancy. He lived in a house that cost too much. He worried other people might want some of his expensive things, so he built a big wall with a gate to keep people out.

A beggar named Lazarus used to come to the gate and wait for the rich man to spill some food from his table. But the rich man let the poor man starve to death. Lazarus went to heaven but the man went to hell.
