

## LET GOD MAKE YOUR FAITH STONG

*(On the way to Jerusalem)* — Jesus taught the people who came to listen to him that they should put their trust in God. Jesus saw a lot of people trusting the wrong things.

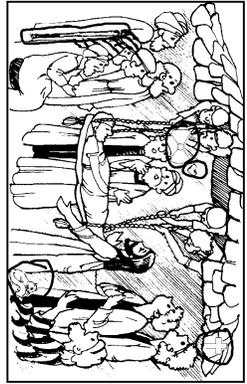

Some people were trusting in their money. But when they died, their money didn't help them, and somebody else would get it anyway.

Some people were trusting in how strong they were or how good and healthy they were. But after a while they would get sick and maybe even die. They put their trust in the wrong place.

Jesus said that the only place to put your trust is in God. God's love and power will last forever. If we ask God to do it, he will make our faith so strong amazing things can happen. When Jesus trusted his Father in Heaven, Jesus did miracles and even raised people from the dead.

Luke 17:5-10
