

DON'T FORGET TO THANK GOD

(On the way to Jerusalem) — Many people forget to thank God for the good things in their lives. God wonders whether we appreciate the good things he has given us when we forget to thank him for them.

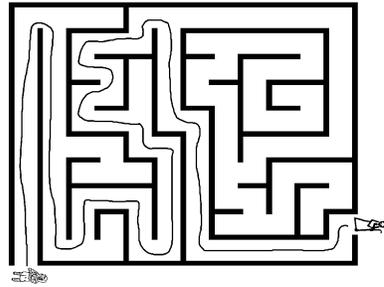

Jesus found out just how easy it is to forget to say "Thank you" one day when he was walking down a road. He came to ten sick men. They had a skin disease. Nobody would go near them because they had such a terrible disease.

But Jesus came right up to them. He healed all ten sick men. They were excited and they ran away to tell their friends that they were healed.

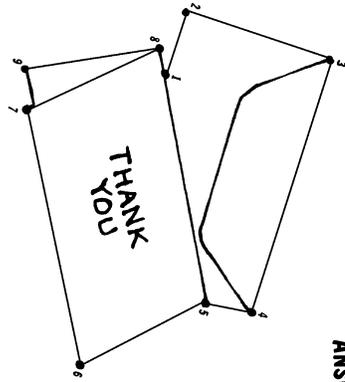

Only one of them came back to Jesus to say "Thank you." Jesus said to him, "It's good that you gave thanks. But aren't those other nine men thankful to be healed?"
