

# HOW TO SURPRISE YOUR ENEMIES

[In Galilee] — Jesus knew how hard it was for people who love God to get along with people who hate God. He knew that it was easy to be mean and hateful to the people who are mean and hateful to us.

But Jesus knew that we will never help the people who hate us if we just hate them back. Instead, Jesus said we should surprise our enemies. They expect us to be hateful to them, but we can love them instead. Jesus showed us how to do it. He loved all kinds of people. When his teaching was finished, he even died on a cross to love his enemies.

Jesus taught us to love our enemies the way he did. He knew that when we do, our enemies will sometimes be turned into our friends. If nothing else happens, when we love them they will be surprised.

**Hidden Words.** If you love your enemies, they will be surprised. The words "enemies" and "surprise" are part of the puzzle below. Can you find both words, along with nineteen others? As you find each word, circle it. The first one is done for you. Remember, some words are printed backward, upside down, or at an angle.
